

# CINDY LIU

Motivated high school student with a strong work ethic and a great passion for the natural sciences. Taken a wide range of science courses at school and through self-studying online. Participated in Science Olympiad every year since 6<sup>th</sup> grade, attended both online and in-person competitions, and is an avid competitor and a team leader.

## EXPERIENCE

SEPTEMBER 2021 – APRIL 2023

### INTERLAKE SCIENCE OLYMPIAD, CLUB OFFICER

- Planned overnight club trips for competitions.
- Ensured consistent communication with students and community members over recent club activity, including organizing a 2-week long tryout session involving more than 50 individuals.
- Wrote tests from scratch for test exchange and invitational tournaments.

SEPTEMBER 2022 – APRIL 2023

### INTERLAKE SCIENCE CLUB, CLUB OFFICER

- Organized labs, review sessions, and hosted major science competitions with students from multiple schools in attendance.

## EDUCATION

2020-2024

### INTERLAKE HIGH SCHOOL

- GPA: 4.0
- Advanced Learning Program
- International Baccalaureate Scholar

## DIVISION C SCIENCE OLYMPIAD AWARDS

- 2023 State: 2<sup>nd</sup> Anatomy & Physiology, 3<sup>rd</sup> Cell Biology, 4<sup>th</sup> Green Generation, 3<sup>rd</sup> place team.
- 2023 Regionals: 1<sup>st</sup> Disease Detectives, Anatomy & Physiology, Cell Biology, Green Generation, 1<sup>st</sup> place team.
- 2023 Raisbeck Invitational: 1<sup>st</sup> Green Generation, 1<sup>st</sup> Disease Detectives, 2<sup>nd</sup> Anatomy & Physiology, 3<sup>rd</sup> Cell Biology
- 2022 State: 1<sup>st</sup> Anatomy & Physiology, 4<sup>th</sup> Cell Biology
- 2022 Regionals: 4<sup>th</sup> Anatomy & Physiology
- 2022 Camas Invitational: 2<sup>nd</sup> Cell Biology, 4<sup>th</sup> Anatomy & Physiology, 4<sup>th</sup> Green Generation
- 2021 State: 3<sup>rd</sup> Protein Modeling
